

Peter Noyes SED
Morning SED March 2017 Newsletter

Welcome back from vacation! We hope you enjoyed the week, whether you took advantage of the time and went away or just enjoyed the beautiful weather we had around here! We've been busy in the mornings, enjoying gym games and fun crafts. We're looking forward to the warm weather so we can start going outside in the mornings again too!

Space Available's

We know that sometimes things come up and you unexpectedly need an extra morning, however, if you could please CALL us if you haven't set up the Space Available with us ahead of time it would be extremely helpful. You can let us know that you need Space in the mornings ahead of time by emailing us, calling us or leaving a note in our pass-on book on the parent table.

Morning of, PLEASE call. Thank you so much for understanding!

***Disclaimer, if you come afternoons as well, the following 3 sections may look familiar!
Important information for ALL!

Parent Mailboxes

Please be sure to check your parent mailbox on the sign-out table at least once a week. This is where bills, holiday program confirmations, and other important paperwork are distributed. Be sure not to miss it.

Registration for Next School Year

Applications for the 2017-18 school year have been mailed out to current families today. The deadline to return the applications is March 17, 2017. Applications will be available to the general public on March 20. Please return your application as soon as possible to ensure your child's space for next year!

Facebook

That's right, SED is slowly working its way toward using last decade's cutting edge technology! We now have an official Facebook page. The SED Facebook page is updated with news and information for our families and teachers. Be sure to check us out and follow our page to keep up-to-date! www.facebook.com/sudburyextendedday.org.

Progress Reports

If you have not yet signed your child's progress report, please make sure that you stop in this week and sign it! Thank you so much!

We hope your children enjoy coming to SED as much as we enjoy having them! Have an excellent March!

Emily Danault and the Noyes Morning SED Staff

Peter Noyes SED
March 2017 Newsletter

It was so great to see everyone coming back after vacation. We hope you have been enjoying this spring-like weather! We had a few days before February vacation to play in the snow, but lately we're enjoying the sunshine instead. March could still bring us some cold weather, but we'll enjoy the warmth while it lasts! Our Valentine's Day party last month was a huge hit! Kids had a blast shooting foam arrows, playing Valentine Bingo, hunting for hearts, and seeing who could make the tallest/fastest/most creative stack of conversation hearts (the record was 26 high!)

We also had some great clubs which included awesome activities like creating some professional-looking fruit arrangements, homemade salsa and guacamole, trying out "street soccer," sculpting with floral foam and bar soap, learning to play chess, and building things from spare metal parts, pasta, and packing peanuts. Lots more fun coming our way now that it's March!

Absences

Please, please, please call or email us if your child will be absent from SED for ANY reason! We have had many people forgetting when a child has stayed home sick or gone home early due to illness. We have no way of knowing this unless you inform us, and therefore we are left searching for your child. When this happens, we charge a search fee of \$25 for the first time, with increasing fees thereafter. Please just let us know!

Parent Mailboxes

Please be sure to check your parent mailbox on the sign-out table at least once a week. This is where bills, holiday program confirmations, and other important paperwork are distributed. Be sure not to miss it.

Registration for Next School Year

Take Home Table

When you pick up, please be sure to ask your child if he/she has any projects on the table closest to the door to take home. We have many abandoned masterpieces and we would love for them to go home with their owners.

Early Release

There are three Early Release Days in March. That's right, THREE! Here's what we're doing:
March 8th - Children in grades 3-5 will travel to Rock On Adventure in Norwood, where they will be able to participate in rock climbing, aerial silks, and kids ninja warrior training. If your child is in the older grades and attends on Wednesdays, please be sure to complete an online waiver at <http://rockonadventure.com/waiver-1/>. Please let us know that the form was completed so we can keep track of who still needs to do them. Grades 1-2 will enjoy an afternoon at SED with crafts, gym time, games, etc.

March 15th - This is the day of the Noyes Science Fair. Therefore we are losing our space and will need to leave. We will stay at Noyes for lunch time and then travel to Roller Kingdom. Children will bring all of their belongings with them. We will then be taken to First Parish Church, where the SED office is located, for dismissal from there.

March 29th - Children in grades 1 & 2 will be traveling to Woburn Bowl-A-Drome for a fun afternoon of bowling and pizza. Children in grades 3-5 will enjoy an afternoon at SED with crafts, gym time, games, etc.

March Clubs

Clubs will be held on Tuesdays this month. The children have chosen from the following:

- Super Workouts Club
- 80's Cartoon Club
- Teddy Bear's Picnic Club
- Big Sudbury Map Club
- Discovering the Masters Club
- Creating Musical Instruments Club
- Cross-Stitch Club

Thanks and hope you have a fabulous March!

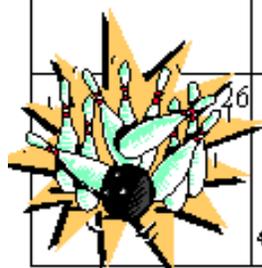

Lisa Posner & the Noyes SED Staff
