April News

Happy April everyone! We are finally still in the sun until 6:00 p.m.!! We hope to get outside more and more as this month goes along! In April, we will have lots of spring type crafts, and many outdoor games! For our Early Release Days, we will be staying on site for the month. The first one will be a day celebrating Alice In Wonderland! We have many crafts dedicated to the fun story. That will take place on April 12th. On April 26th, we will have a show come in called, The Unique Game Show.

We will have a group come in and put us through a real game show! Should be super fun for the kids to get involved in! We hope you all have a relaxing and fun Holiday, as well as vacation!

MCAS

With MCAS starting up this month, we will NOT have homework for the grades participating in them that week. We will try to get the children outside or to the gym to be able to have some fun and free some of the stress of the testing!

If you have any questions or concerns, please do not hesitate to contact me at Loringsted@gmail.com. I check the email daily!

Student Evaluations

Please let us know if you have not received your child's Student Evaluation for this year!

Loring School Rules

The Loring School does not want the children walking through the school after school hours. If your child forgets his/her homework, they CANNOT go back unto their classroom or locker to grab it. We also cannot allow any adults into the building as well after school hours. The also goes for the children's snow pants and boots. We will try to remind the children when they first get to SED if they have everything!
