

Sudbury Extended Day Kindergarten Center ~ Classroom News
April ~ 2017

Welcome to Spring!

We will finish up our Solar System Unit and when we return from April Vacation ~ we will start on our new unit entitled ~ Plants, Rainforest, Ecology and ways to save our planet Earth.

Learning objectives within this unit are:

- *Identifying parts of a seed and plant.
- *Identifying the needs of a plant.
- *Growing plants in the classroom and documenting the growth of the plants.
- *Students will become familiar with the location/characteristics of a Rainforest.
- *Students will become familiar with the layers of the Rainforest, animals that live within each layer and food/products that grow in the Rainforest.
- *Students will become knowledgeable about the importance of the Rainforest and ways that we can save our earth.

During this unit ~ poetry, music and songs will help make this unit interesting, informative and interactive.

The Science Center will be transformed into a "mini" greenhouse. The children will act as gardeners as they plant, grow and tend to various plants and flowers!

We will also be presenting fun springtime crafts, projects and events!

Drama Time

We will be setting up a new Veterinarian Lab downstairs. The children will have the opportunity to take care of various animals and tend to their medical needs!

Early Releases

April 12th ~ **Animal Adventures** arrive to share some interesting animals and teach the importance of respecting wildlife.

April 26th ~ Acton Discovery Museum

This will be our first traveling field trip! I will not be able to accept Space Available on this day ~ thanks for your understanding!
(*I will have you sign a traveling permission slip*)

Upcoming News

Please Mark Your Calendars

May 24th ~ 2:30pm

We are very happy to inform you that the children will be presenting a Celebration of Song performance to the elderly residents at the Bethany Health Care Center in Framingham, Ma! We will also be performing for all of you! A special invitation will be given to you soon! Your performance starts at 5:00pm with a 5:30pm Ice Cream Social following the performance. ~ May 24th

Footwear once the weather gets warmer...

For the safety of your child/children ~ please make sure they are wearing sneakers or closed toe supportive shoes or sandals. This will keep the children safe as they explore our playground.

Wishing everyone a wonderful April!
