

Noyes SED
May 2017 Newsletter

After a rainy week or two, we are loving the warm sunshine! Our Star Wars Day in April was lots of fun. Kids loved making light sabers out of pool noodles and especially loved bopping each other with them. We freed Han Solo, Poe, Rae, and others from their carbonite freeze, made edible Tie Fighters, and more. We even received a surprise visit from Chewbacca (our director Suzie visited and spontaneously put on a costume!). With the warm weather comes lots more end of the year fun, and we can't wait!

Absences

We know that the children have many activities, play dates, etc. this time of year. Please be sure to let us know if your child will not attend SED on a scheduled day. If you do not inform us, we must perform a search for your child, resulting in a search fee of \$25 for the first time, with increasing fees if it happens again. We don't want that to happen to you! SO please, please call or email us!

Ice Cream Social

We hope you all can join us for our annual SED Ice Cream Social and art show on Wednesday, May 17th. We will be serving ice cream sundaes from 4:30 to 5:30PM. This is a really nice end of the school year celebration and we always enjoy seeing our families together for longer than it takes to pick up on a regular day. We will be giving out 5th grade awards around 5PM. If your child does not attend SED on Wednesdays, your family is still invited to join us after 4:30. Please save the date!

Early Release

There is only one Early Release in May. Wednesday May 24th will be Carnival Day at Noyes! We will have face painting, a fortune teller, carnival games and crafts. One teacher will get a pie in the face at the end of the day--which one will be determined by the children :)

Paperwork

The Department of Early Education and Care (EEC) requires us to have children's enrollment paperwork signed each year. Some years we are able to re-sign the previous paperwork, but most of ours have been signed two or three times already at this point. We must have everyone fill out new forms this time. We understand it may be an inconvenience, but it is part of our regulations. We appreciate your cooperation. We will begin this process toward the beginning of May.

Clubs

Club Day will be Fridays in May. This is our last month of clubs for the school year. Children have chosen from the following:

- Pokemon Club
- Rock Art Club
- Healthy Cooking Club
- Picnic Games Club
- Hemp Jewelry Club
- Wearable Art Club

Hope you have a fabulous May!

Lisa Posner, Emily Danault, & the SED Staff

May Newsletter

Happy May, Everyone! We are loving the warmer weather, even if today is a little damp and dreary. The brighter mornings are making everyone seem a little bit more energetic and happy! In April we did many different and fun projects including some for Easter and some fun spring crafts too.

Space Available's

Thank you all for your cooperation in calling ahead of time when you need Space Available. Whenever possible, at least 24 hour notice is preferable. If you call morning of, we will say yes whenever we possibly can! Thank you all for your understanding in this situation. We would never want to be put in the position of turning you away at the door.

BOKS on Tuesday and Thursday Morning's

For the next 5 weeks, Building Our Kids for Success or BOKS is taking place from 8-8:45am outside. This generally doesn't affect our program UNLESS there is inclement weather. In case of inclement weather, we have agreed to allow BOKS to use the gym starting at 7:55. On these days, SED will go to the gym from 7:25-7:55 instead of from 8:00-8:30. If you have a child who loves going to the gym at Morning SED, please try to get them here early on those mornings! We understand the importance of physical activity and we know some of the children in our program have lots of energy to get out first thing in the morning so we will try to get them to the gym whenever possible!

Outside Play

As the weather continues to get warmer we will also be utilizing our outside space as well as the gym for our morning energy release time! We will most likely alternate between organized games on the field or hard top and free play on the structure on these mornings so everyone can have a chance to enjoy the activity that they love the most!

Paperwork

The Department of Early Education and Care (EEC) requires us to have children's enrollment paperwork signed each year. Some years we are able to re-sign the previous paperwork, but most of ours have been signed two or three times already at this point. We must have everyone fill out new forms this time. We understand it may be an inconvenience, but it is part of our regulations. We appreciate your cooperation. We will begin this process toward the beginning of May.

Enjoy your spring and have a wonderful month of May!
