

**Noyes SED**  
**May 2017 Newsletter**

After a rainy week or two, we are loving the warm sunshine! Our Star Wars Day in April was lots of fun. Kids loved making light sabers out of pool noodles and especially loved bopping each other with them. We freed Han Solo, Poe, Rae, and others from their carbonite freeze, made edible Tie Fighters, and more. We even received a surprise visit from Chewbacca (our director Suzie visited and spontaneously put on a costume!). With the warm weather comes lots more end of the year fun, and we can't wait!

**Absences**

We know that the children have many activities, play dates, etc. this time of year. Please be sure to let us know if your child will not attend SED on a scheduled day. If you do not inform us, we must perform a search for your child, resulting in a search fee of \$25 for the first time, with increasing fees if it happens again. We don't want that to happen to you! SO please, please call or email us!

**Ice Cream Social**

We hope you all can join us for our annual SED Ice Cream Social and art show on Wednesday, May 17th. We will be serving ice cream sundaes from 4:30 to 5:30PM. This is a really nice end of the school year celebration and we always enjoy seeing our families together for longer than it takes to pick up on a regular day. We will be giving out 5th grade awards around 5PM. If your child does not attend SED on Wednesdays, your family is still invited to join us after 4:30. Please save the date!

**Early Release**

There is only one Early Release in May. Wednesday May 24th will be Carnival Day at Noyes! We will have face painting, a fortune teller, carnival games and crafts. One teacher will get a pie in the face at the end of the day--which one will be determined by the children :)

**Paperwork**

The Department of Early Education and Care (EEC) requires us to have children's enrollment paperwork signed each year. Some years we are able to re-sign the previous paperwork, but most of ours have been signed two or three times already at this point. We must have everyone fill out new forms this time. We understand it may be an inconvenience, but it is part of our regulations. We appreciate your cooperation. We will begin this process toward the beginning of May.

**Clubs**

Club Day will be Fridays in May. This is our last month of clubs for the school year. Children have chosen from the following:

- Pokemon Club
- Rock Art Club
- Healthy Cooking Club
- Picnic Games Club
- Hemp Jewelry Club
- Wearable Art Club

Hope you have a fabulous May!

Lisa Posner, Emily Danault, & the SED Staff
