

**Sudbury Extended Day ~ Kindergarten
A Final Farewell ~ June 2017**

This year has flown by quickly! Our final unit will encompass the topic ~ Ocean Knowledge. This unit will help the children develop an awareness of ocean life by exploring a variety of topics such as: characteristics of an ocean, seashore environment, difference between salt and fresh water, awareness of the major oceans and major seas, plant and animal life found in the oceans and how we can help to keep our oceans clean.

Please Mark Your Calendars...

On **June 5th** from 4:30-6:00PM we will be hosting an SED Open House for 2017-2018 incoming Kindergarteners. Our current students will have access to outside and we will set up activities in the Parish Hall. The parking lot will be very busy so you may have to park over at the Peter Noyes parking lot. We thank you for your support and assistance on this day!

Last Day of School ~ June 20th ~ *This is an Early Release Day.*

Some students may start camp, vacation or lessons early...so if you know your child/children will absent on June 19th or June 20th ~ please let us know immediately.

Friendly Reminder

On the last day for your child/children ~ Please be sure to pick up your child's/children's medicine and medical supplies: Epi Pens, Inhalers, etc...

The Gift of Literacy

The many frayed books in our bookshelves are a sign of how "well loved" the books are to the children. We would gladly and appreciatively accept amazon.com, gift cards so that we may replenish the books or games in need. We only mention this as parents have asked us about gifts to give to the staff. As teachers, we would rather have a gift that can be used to enhance the classroom in honor of your precious child/children.

**I know I also speak for my staff when I write this...working with your child/children was an absolute privilege! Thank you so much for choosing SED and allowing us to enrich your child/children's lives. Best of luck for the next school season and have a safe and happy summer! Smile, Miss. Esteves
